### Safety information

IT IS IMPORTANT THAT YOU READ THE SAFETY AND PRODUCT INFORMATION BOOKLET (INCLUDED) PRIOR TO USING YOUR BLACKBERRY SMARTPHONE. It contains essential safety information related to your smartphone.

### More getting started information

For videos, BlackBerry® Answers, and more, go to [www.blackberry.com/gettingstarted](http://www.blackberry.com/gettingstarted).

### 1 Insert the SIM card

Depending on your BlackBerry® smartphone model or your wireless service provider, you might not need a SIM card for your smartphone.

### 2 Insert the battery and media card

The media card is optional. If a media card was included, it might already be inserted.

### 3 Set up your smartphone

1. If prompted, set up your BlackBerry® ID.
2. Get started quickly with Setup!

If Setup doesn't start automatically, on the Home screen, click the **Setup** icon.

### 4 Set up your email

1. On the Home screen, click the **Setup** icon > **Email Accounts** icon.
2. Follow the instructions to set up your email address.

When your email address is set up correctly, you receive a confirmation email. To see your email, on the Home screen, click the **Messages** icon.

Data plan required.

### Import your contacts

You can import your contacts from a SIM card or by using the BlackBerry® Desktop Software. For information about the BlackBerry Desktop Software, see the "Connecting to your computer" section in this guide.

If you have a SIM card, do the following:

1. On the Home screen, click the **Setup** icon.
2. Click the **SIM Contacts Sync** icon and follow the instructions.

Features not supported by all wireless service providers.

### Switch smartphones

To move data from a previous BlackBerry® smartphone, do the following:

1. On your computer, open the BlackBerry® Desktop Software. To get the latest software, go to [www.blackberry.com/desktopsoftware](http://www.blackberry.com/desktopsoftware).
2. Connect your new smartphone to your computer.
3. Click **Copy data and settings from another device** and follow the prompts.
4. If necessary, on your new smartphone, tap the **Setup** icon > **Email Accounts** and follow the prompts.

### Lock your keyboard

To lock your keyboard, press the  key on the top of your BlackBerry® smartphone.

#### Set a password

1. On the Home screen, click the **Setup** icon > **Password** icon.
2. Select **Enable** > click **Set Password**, and follow the prompts.

To lock your smartphone, on the Home screen, click the **Password Lock** icon.  
Record your password for future use.

### Applications

 **Messages**  
Send emails and other messages.

 **Text Messages**  
Send text messages.

 **Browser**  
Browse websites.

 **Media**  
See saved pictures, play songs, and more.

 **BlackBerry Messenger**  
Chat with friends or colleagues.

 **Camera (if supported)**  
Take pictures.

 **Options**  
Set options. You can find more options in each application menu.

 **Manage Connections**  
Set up wireless connections, such as a Bluetooth® connection.

 **Help**  
Find the user guide here or click **Help** in a menu.

To see a full icon and indicator guide, go to [www.blackberry.com/docs/smartphones](http://www.blackberry.com/docs/smartphones). Click your smartphone model, then click the *Icon Guide*.

 Attachment	 Meeting invite
 Message is sending	 Message not sent

#### Phone

 Missed call	 Received call
 Placed call	 Voice mail message

## Messages

To view all your messages, on the Home screen, click the **Messages** icon.

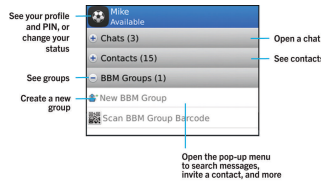

Send a text message

1. On the Home screen, click the **Text Messages** icon.
2. Press the **Alt** key > **Compose Text Message**.
3. In the **To** field, type the contact information.
4. Type a message.
5. Press the **Alt** key > **Send**.

To insert a period while you're typing, press the **Space** key twice.  
Extra fees might apply.

## BlackBerry Messenger

Chat with your friends virtually anywhere, anytime!

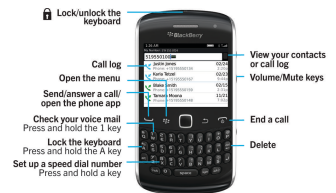

Add a contact using a barcode

1. On the Home screen, click the **BlackBerry Messenger** icon.
2. Press the **Alt** key > **Invite to BBM** > **Scan a PIN barcode**.
3. Hold your BlackBerry® smartphone so that all four corners of the contact's barcode appear on your screen and you hear a beep.

Data plan required.

## Phone

To make a call or open the Phone application, press the **Call** key.

Change your ring tone

1. On the Home screen, click the **Setup** icon > **Ring Tones** icon.
2. In the **Ring Tone** field, click a preloaded ring tone or click **All Music** or **All Alerts**.
3. Press the **Alt** key > **Save**.

### Browser

**Type a web address**  
Press and hold the trackpad

**Open a pop-up menu of common actions**  
Press and hold the trackpad

**Open tab view**  
Open your bookmarks and history

**Zoom/pan**  
To zoom, click the trackpad.  
To pan a zoomed page, slide your finger on the trackpad.

**Close the selected tab**

**Open a webpage in a new tab**

Data plan required.

### Camera

**Zoom in or out**  
Slide your finger up or down on the trackpad

**Add your location to the picture**  
View pictures

**Take a picture**  
Click the camera icon or press the **Camera** key on the right of the smartphone

**Zoom indicator**

**Change settings for different scenes (beach, scenes, and more)**

**Change the flash setting**

**Record a video**

1. On the Home screen, click the **Media icon > Video Camera icon**.
2. Click the trackpad.
3. To pause recording, click the trackpad again.

Depending on your BlackBerry® smartphone model, the camera or video camera might not be supported or some camera or video camera features might not be available.

### Pictures

**To see your pictures, click the Media icon > Pictures.**

**Zoom/pan**  
To zoom, click the trackpad  
To pan a zoomed picture, slide your finger on the trackpad

**Open the pop-up menu to send the picture, set it as your wallpaper, and more**

**Scroll through pictures**  
When zoomed out, slide your finger left or right quickly on the trackpad

**To view a slide show, press the **Slide Show** key > View Slide Show.**

**Change your wallpaper**

1. On the Home screen, click the **Setup icon > Wallpaper icon**.
2. Take a picture or use an existing picture.
3. Press the **Slide Show** key > **Set As Wallpaper**.
4. Press the **Home** key to return to the Home screen.

### BlackBerry App World

Download games, apps, and more! Go to [www.blackberry.com/appworld](http://www.blackberry.com/appworld).  
Data plan required.

Click an app to download or buy it. Downloaded apps appear on the Home screen.

Search by category. See the top 25 apps.

Manage your downloaded apps.

Search.

### Wi-Fi and Bluetooth

To manage wireless connections, click the **Manage Connections** icon.

**Network Indicators**

- Turn on Mobile Network, Wi-Fi, Bluetooth, and NFC.
- Turn off connections (airplane mode).

**NFC (if supported)** lets you read smart tags and more.

- To pair with a Bluetooth enabled device, click **Networks and Connections**.
- To connect to a Wi-Fi network, click **Set Up Wi-Fi**.

### Copy and paste

To highlight text, press the **Left Shift** key or **Right Shift** key and slide your finger on the trackpad.

Open a pop-up menu. Press and hold the trackpad.

To cut or copy text, press the **Ctrl** key - **Cut** or **Copy**.

To paste text, press the **Ctrl** key - **Paste**.

### Connecting to your computer

You can use BlackBerry® Desktop Software to do the following:

- Sync your contacts, music, pictures, and more
- Back up and restore smartphone data
- Update your software

To download the BlackBerry Desktop Software, go to [www.blackberry.com/desktopsoftware](http://www.blackberry.com/desktopsoftware).

### Sync your media files

- Connect your BlackBerry® smartphone to your computer.
- On your computer, open the BlackBerry® Desktop Software.
  - If you're using a Windows® computer, click **Music, Pictures, or Videos**.
  - If you're using a Mac computer, in the **Media** section in the left pane, click **Music**.

For more information, see the Help in the BlackBerry Desktop Software.

### Need more help?

- Find help from the Home screen—just click the **Q** icon and start typing!
- For tutorials, click the **Setup** icon > **Tutorials**.
