

**For more information and support for your BlackBerry Style 9670 smartphone, please visit [blackberry.com/style9670support](http://blackberry.com/style9670support)**

1. Check with your service provider for roaming arrangements, service plans, and supported features and services.
2. Requires activation with appropriate data plan.
3. For a complete list of supported media file formats, visit [blackberry.com/go/mediafiles](http://blackberry.com/go/mediafiles)
4. Mac OS X version 10.5.5 is required for MAC users.
5. Requires a Bluetooth® enabled device with A2DP stereo Bluetooth profile.
6. Applications stored in your My World folder can be re-installed to the currently active BlackBerry® smartphone an unlimited number of times, and may be moved to a different active BlackBerry smartphone up to three times per year without a requirement to re-purchase the application. Unlimited re-installing is only available on one BlackBerry smartphone at a time.
7. Additional network charges may apply to download applications from your My World folder.
8. The BlackBerry® Style™ 9670 smartphone accepts microSD cards up to 32GB in size; the amount of storage is determined by card capacity. microSD cards may be sold separately.
9. Use only those accessories approved by Research In Motion. Using any accessories not approved by Research In Motion for use with your BlackBerry smartphone may invalidate any approval or warranty applicable to your BlackBerry smartphone and may be dangerous.
10. 1 gigabyte (GB) = 1 billion bytes. Some of the stated capacity is used for formatting and other functions, and accordingly is not available for data storage.

Check with your service provider for roaming arrangements, service plans, and supported features and services.

# Explore your new BlackBerry Style 9670 smartphone

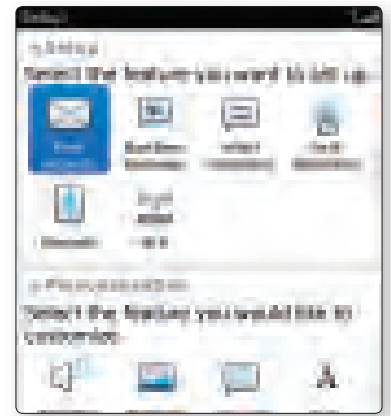

1. Add or create an email address using the Setup icon located on the device home screen.

# Set up your email and get connected

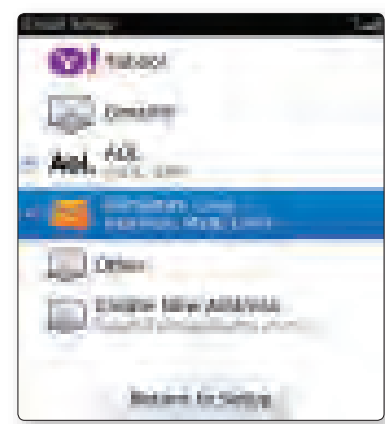

2. In the setup menu click **Email Accounts**.

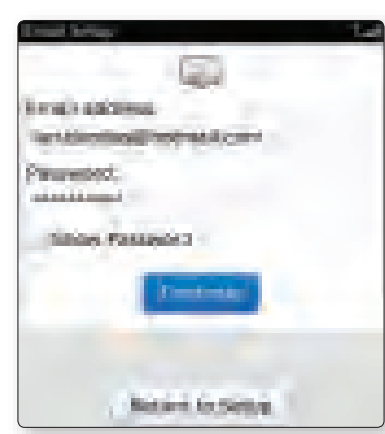

3. Click the Email Service Provider (e.g., @hotmail.com) you want to add to your device. If your Email Service Provider is not listed, click **Other** to input your email address.

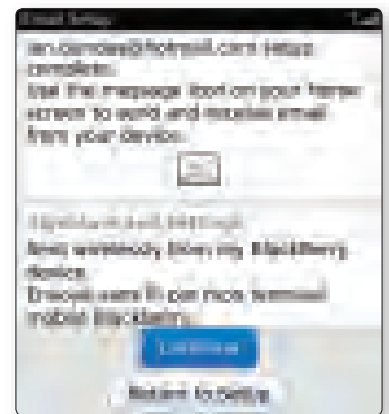

4. Type the email address and password for the account, and click **Continue**. A confirmation screen will appear when the address has been added.

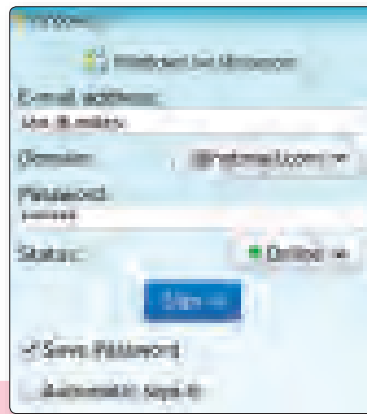

5. Activation is now complete. Click **Return to Setup** to exit after activation. You can also click **Continue** to set up a Windows Live Messenger account under the same account name.

6. Click **Continue** to complete activation of your Messenger account.

7. Messenger setup is complete.

# BlackBerry Messenger

Got something to say? BBM™ message it! Use BlackBerry Messenger to stay in touch with your friends who already use BlackBerry smartphones.

Change your status and display picture to suit your mood. During a chat, share pictures, voice notes and contact attachments. Use the BlackBerry Groups feature to create a group of family members, friends or co-workers.

And keep the conversation going wherever, whenever.

## Change your display picture or display name

You can choose which name and picture you want your contacts on BlackBerry Messenger to see when they BBM™ message you — and change them up at any time.

1. On the Home screen or in the Instant Messaging folder, click the **BlackBerry Messenger** icon.
2. On the Contact List screen, press the  key.
3. Click **View My Profile**.

#### 4. Perform any of the following actions:

- To change your display picture, press the  key. Click **Change Display Picture**. Click a picture. If necessary, center the picture in the box. Press the  key. Click **Crop & Save**.
- To change your display name, type a new name in the **Display Name** box.

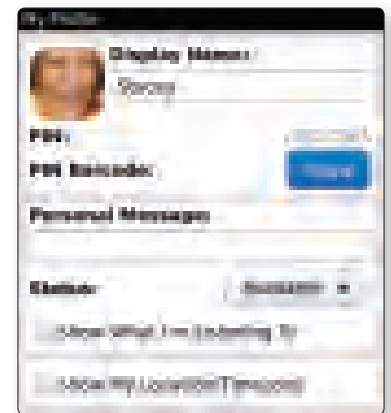

5. Press the  key.

6. Click **Save**.

### Display your profile barcode on your device

When you display the barcode for your BlackBerry Messenger profile on your device, other people can scan your barcode and add you to their BlackBerry Messenger Contact List.

1. On the Home screen or in the Instant Messaging folder, click the **BlackBerry Messenger** icon.
2. On the Contact List screen, press the  key.
3. Click **View My Profile**.
4. Click **Show** under PIN Barcode.

[blackberry.com/style9670support](http://blackberry.com/style9670support)

## Add a contact by scanning a barcode

Adding contact information to your BlackBerry Messenger contact list is easy — just use the camera on your BlackBerry Style to scan a person's barcode.

1. On the Home screen or in the Instant Messaging folder, click the **BlackBerry Messenger** icon.
2. On the Contact List screen, press the  key.
3. Click **Invite Contact**.
4. Click **Invite by scanning a PIN barcode**.
5. Click **Continue**.
6. Hold your device so that all four corners of the barcode appear on your device screen. Continue to hold the device until you hear the success beep.

You can also add a contact by typing an email address or PIN. If you add a person who uses SMS text messaging as a contact to BlackBerry Messenger, you can send SMS text messages to and receive SMS text messages from the person in BlackBerry Messenger. However, your BlackBerry smartphone must be running BlackBerry® Device Software version 5.0 or later.

For more BlackBerry Messenger support info, please visit: [blackberry.com/bbm](http://blackberry.com/bbm)

## Personalize your BlackBerry Style 9670

Add the little things that will make your BlackBerry Style 9670 smartphone all your own — like ring tones, customized preferences and applications that help you get the most out of each day. Then load your favorite tunes and videos on your smartphone and take them with you.

And round it all out with BlackBerry® Authentic Accessories like headsets, cases and skins. It all adds up to a complete BlackBerry experience made just for you.

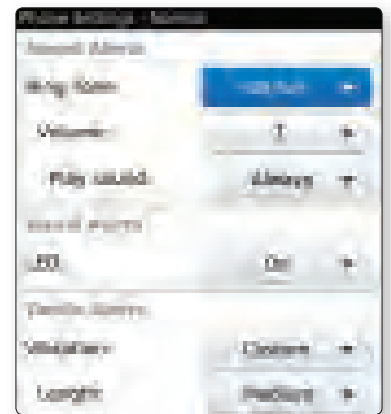

# Ring tones

## Changing your ring tone

You can set how you are notified when you receive a phone call, email or text message:

1. From the Home screen, go to the **Sound and Alert Profiles** icon.
2. Click **Change Sounds and Alerts**. Click **Phone Ring Tone**. Click the **Ring Tone** drop down menu.
3. Choose a preloaded or downloaded ring tone from the list, previewing each ring tone as you scroll. Downloaded ring tones can be found by clicking **All Music**.
4. Press the  key and select **Save**.

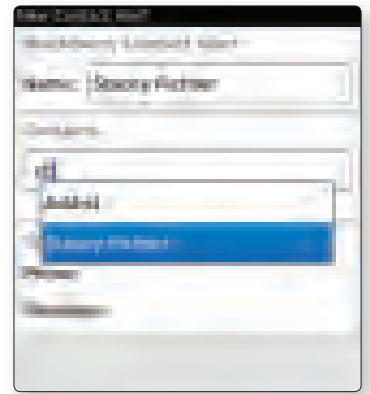

## Giving your contacts unique alerts

When you get messages or calls from your friends, your family or co-workers, set your notification alerts so you always know who's trying to reach you.

1. From the Home screen, go to the **Sound and Alert Profiles** icon.
2. Click **Change Sounds and Alerts**. Click **Sounds for Contacts**. Click **Add Contact Alert**.
3. Type your contact name in the **Name** field.
4. Start typing the contact name in the **Contacts** field and the full name should appear from your list. Click to select your contact.
5. Under the **Contact Alert Settings**, you can personalize phone or message alerts by selecting the appropriate profile.
6. You can then personalize the sound alert, visual alert, and tactical alert for that person.
7. Once you have made all changes, press the  key and select **Save**.

# Customize your smartphone for the way you live

Your BlackBerry Style was designed with you in mind. By changing your preferences, you can tailor your BlackBerry Style 9670 for the way you work, play and live.

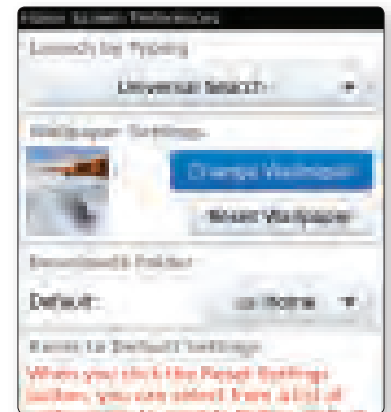

## Changing your wallpaper

Make your smartphone's Home screen a fresh, fun place to visit with your choice of wallpapers.

1. On the Home screen, click the  key and select **Options**.
2. Click **Change Wallpaper**.
3. Choose an image by clicking on one from the **Picture Library**, **Wallpapers** or **Camera Pictures**.
4. Press the  key and click **Set As Wallpaper**.

To clear the picture from the Home screen, press the  key on the Home screen. Click **Options**. Click **Reset Wallpaper**. Click **Yes**.

## Creating Home screen folders

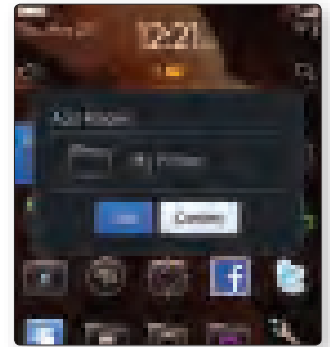

Organize your applications or pictures into folders so you can find them quickly and easily.

1. From the Home screen, press the  key and click **Add Folder**.
2. Enter in the name of the folder and click **Add**.

## Moving icons

Organize your icons into folders or move them to a different location on your Home screen that's convenient for you.

1. Scroll to the icon you would like to move and press the  key.
2. Scroll and click **Move** or **Move to Folder**.
3. If you choose **Move**, you will notice the icon is highlighted. Move the icon to the desired location and click the trackpad. If you choose **Move to Folder**, scroll through the list and select the desired folder.

# Applications

Applications for your BlackBerry Style 9670 are a great way to make your smartphone your own. So you can

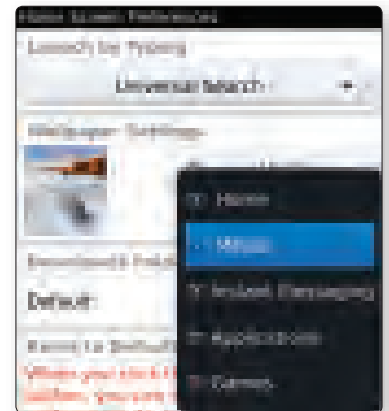

## Downloading applications

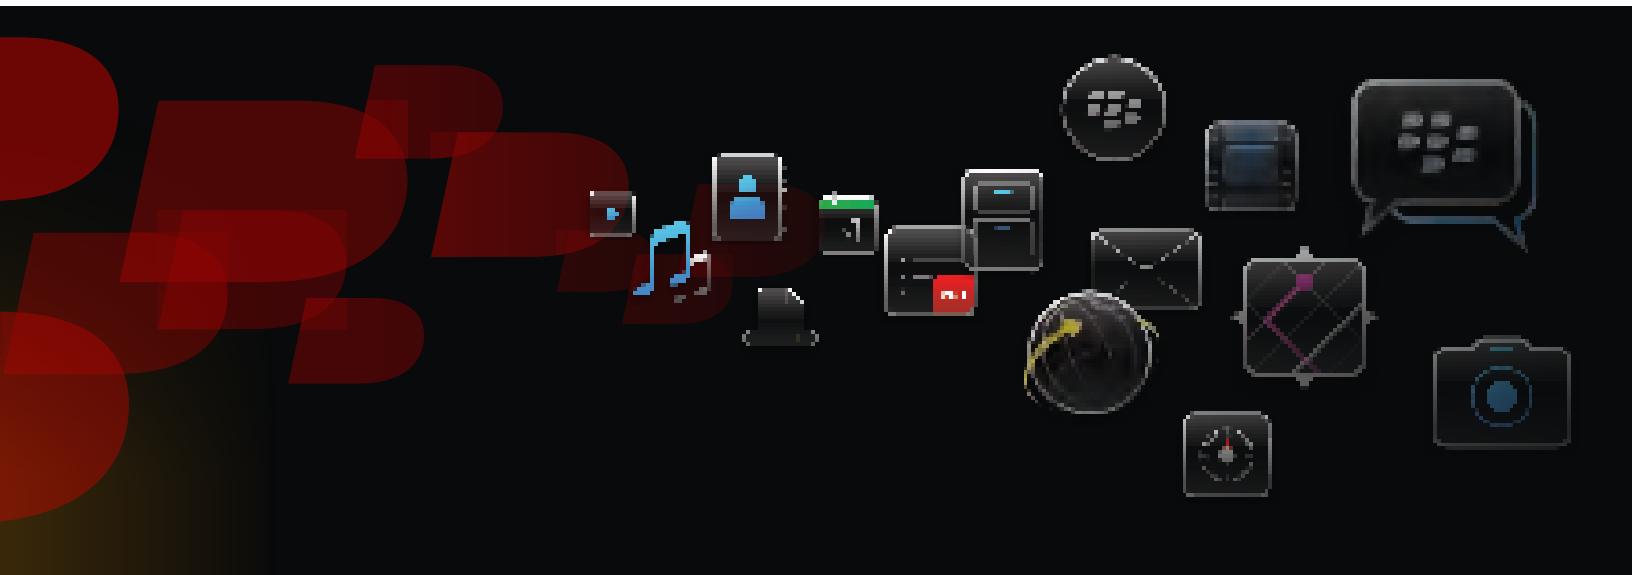

Any applications you download will be saved automatically to your Home screen. If you want to stay organized, you can create a new folder for application downloads or just switch the default folder to keep all downloads in a central location.

## Changing your default folder for application downloads

1. On the Home screen, click the  key and click **Options**.
2. Click the **Downloads** folder drop down menu.
3. Scroll through and select an option.
4. Press the  key and click **Save**.

The folder you selected will now be the default folder for any downloaded applications.

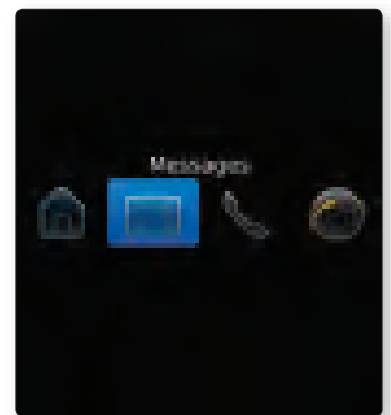

## Multitasking - switching between applications

You can quickly switch between applications, allowing you to multitask easily.

1. Press and hold the  key to show a list of applications currently running.
2. To quickly jump between apps, use the trackpad to scroll over to and select another application.

## Get rid of waiting with a push

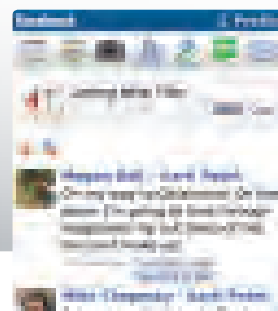

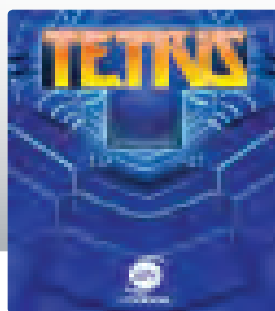

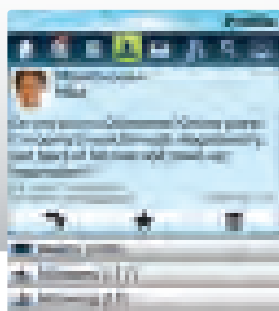

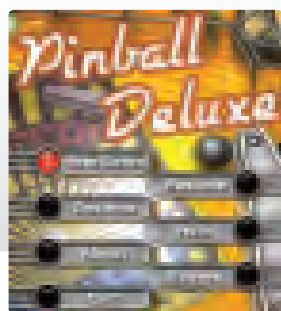

BlackBerry push technology means no more waiting around. Without you lifting a finger, your supported emails, BBM™ messages, Facebook® updates, Twitter™ notifications and more can be automatically updated in seconds. News feeds and updates from apps like WeatherEye will also appear as they arrive.

[blackberry.com/style9670support](http://blackberry.com/style9670support)

## BlackBerry App World

Find tons of great apps available for your smartphone on BlackBerry App World™. Add games, social networking,

Find cool, new ways to message your friends, track the markets or channel your inner rock star. And download a theme to show off your personal style.

- **Lots of apps.** Whether you're looking for celebrity gossip, home automation apps, the latest stock quotes, online shopping assistants or weather updates, you'll find it all on BlackBerry App World.<sup>1,2</sup>

- **Your own, personal BlackBerry App World folder.**

Whether you delete an app accidentally, upgrade to a new BlackBerry smartphone or just need a place to store all of your apps, you can re-install your apps as you need them, at no extra cost.<sup>6,7</sup>

- **Buy apps in more ways.** BlackBerry App World provides easy payment options to get the apps you want, in the way that's most convenient for you. Purchase apps using PayPal™, credit card, or charge them straight to your wireless bill so you can browse and download in just a few clicks.<sup>1,2</sup>

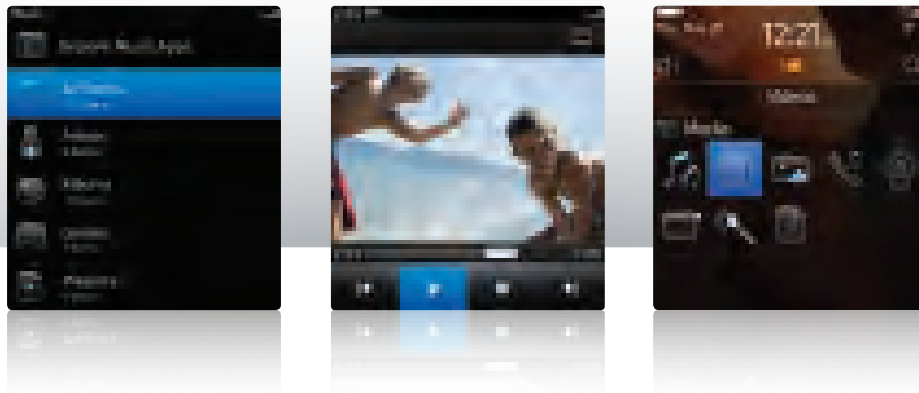

For more information or to download BlackBerry App World, visit: [blackberry.com/appworld](http://blackberry.com/appworld)

[blackberry.com/style9670support](http://blackberry.com/style9670support)

## Multimedia

Multimedia functions on your BlackBerry Style 9670 help you chase boredom away for good.

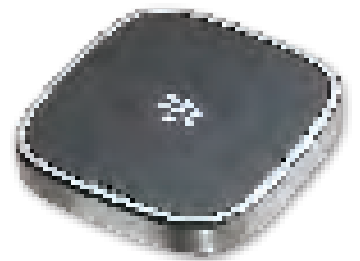

- **Media player.** Watch your videos on your smartphone's sharp, colorful display and listen to your music in crystal-clear sound. Scrolling through your music is as easy as swiping through album art. And you can watch and subscribe to podcasts that are pushed to you as soon as they're available.<sup>1,2</sup>

- **Take more of what you love with you.** Your smartphone comes with a spacious 8GB microSD card to store your songs, videos, pictures and files. When your collection grows, just replace it with a larger microSD card to hold more of your favorite media files.<sup>8,10</sup>

- **Bluetooth® compatible.** Enjoy the freedom of wireless Bluetooth® headphones or speakers. When you're at home, the BlackBerry® Music Gateway lets you play and control your music wirelessly<sup>5</sup> on your home sound system.

[blackberry.com/style9670support](http://blackberry.com/style9670support)

## Get your media on the go.

With BlackBerry® Media Sync you can take your iTunes, Windows Media® Player music, as well as your photos and videos with you. Just sync your computer and your BlackBerry Style 9670 in a few easy steps. And with the ability to sync music over Wi-Fi® using BlackBerry® Media Sync, you can now access your home music library right from your BlackBerry smartphone. Media on the go has never been easier.<sup>3,4</sup>

Never leave home without your favorite tunes. Add the ones you simply can't live without or add them all — it's your choice. It's easy to add or remove files to suit whatever musical mood you find yourself in.

## Sync music from your computer to your BlackBerry smartphone

1. Connect your BlackBerry® smartphone to your computer using the USB cable.
2. In the BlackBerry® Desktop Software, click **Music**.
3. To synchronize specific playlists or synchronize songs by artist or genre, select the check box beside one or more playlists, artists, or genres.  
To synchronize your complete music library, select the **All music** check box.
4. Click **Sync**.

[blackberry.com/style9670support](http://blackberry.com/style9670support)

25

Share your photos and videos with family and friends from just about anywhere — if it's on your home or work computer, you can have it on your BlackBerry smartphone too.

## Sync photos and videos from your computer to your BlackBerry smartphone

1. Connect your smartphone to your computer using the USB cable.
2. In the BlackBerry® Desktop Software, click **Pictures** (or **Videos**).
3. Click the **Computer Pictures** (or **Computer Videos**) tab.
4. Do any of the following:
  - Select the check box beside one or more folders that contain your pictures (or videos).
  - If your pictures (or videos) are in a folder that is not listed, click **Add folder**. Find the folder and click **OK**. Select the check box beside the newly added folder.
5. Click **Sync**.

You caught a memorable moment on video or snapped a priceless pic — save them to your desktop and free up space on your Style to capture even more great memories.

## Import photos and videos from your BlackBerry smartphone to your computer

1. Connect your smartphone to your computer using the USB cable.
2. In the BlackBerry® Desktop Software, click **Pictures** (or **Videos**).
3. Click the **Device Pictures** (or **Device Videos**) tab.
4. If you want to import all your pictures (or videos) again, in the drop-down list, click **All Device Pictures** (or **All Device Videos**).
5. Click **Import**.

Download BlackBerry® Desktop Software for free by visiting:

[www.blackberry.com/mediasync](http://www.blackberry.com/mediasync)

27

## Accessories

Equip your BlackBerry Style 9670 for wherever and whenever with BlackBerry® Authentic Accessories.<sup>9</sup>

- **Dress it up.** Combine functionality and style with BlackBerry branded cases, holsters and skins. They all feature a durable exterior in your choice of colors, along with a soft interior that protects your smartphone. They even let you create personalized in-holster profile settings for calls and messages.

- **Hear and be heard.** Lightweight and comfortable, BlackBerry® stereo headsets and wireless Bluetooth® headsets provide outstanding sound quality that cuts through background noise.

- **More power to you.** With BlackBerry charging solutions, you'll never have to worry about running out of power. Charge your device via electrical outlets, automobile sockets or USB ports — whichever is most convenient.
