

BLACKBERRY CLASSIC SMARTPHONE

Start Here

IT IS IMPORTANT THAT YOU READ THE SAFETY AND PRODUCT INFORMATION BOOKLET (INCLUDED) PRIOR TO USING YOUR BLACKBERRY SMARTPHONE. It contains essential safety information related to your smartphone. For extra security, you can set a password for your smartphone. In the Settings app, tap **Security and Privacy** > **Device Password**. To view the Declaration of Conformity made under Directive 2009/52/EC (HD nr. 800008), go to www.blackberry.com/conformity. Only use BlackBerry approved BlackBerry® accessories. This documentation is provided "as is" and without warranty, endorsement, guarantee, representation or warranty, or liability of any kind by BlackBerry Limited and its affiliated companies, all of which are expressly disclaimed to the maximum extent permitted by applicable law in your jurisdiction. ©2014 BlackBerry. GET STARTED

Insert the nano SIM card and optional media card (micro SD card)

If you don't have a nano SIM card, contact your service provider.

1. On the left side of your smartphone, push the tip of the tool provided in the box (or a paper clip) into the hole to release the SIM tray or the SD tray.
2. Pull out the tray.
3. With the metal contacts facing away from you, place the nano SIM card in the SIM tray or place the optional media card in the SD tray.
4. Push the tray into the slot.

GET SET UP

Turn on your smartphone

Press and hold the **Power on/off** key on the top of your smartphone.

Set up your accounts

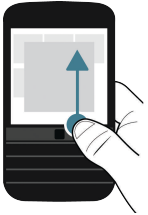

To set up your email and social networking accounts, tap the Setup app. Tap **Accounts**.
