

BlackBerry 7130v™

Blending elegant design with supreme performance, the stylish BlackBerry 7130v helps busy individuals stay in control of their lives. With SureType™ technology it makes messaging quicker than ever. Add to this the speed of the powerful Intel® XScale® processor and you'll see why the BlackBerry 7130v is not the kind to keep you waiting.

BlackBerry 7130v

Features

Benefits

Phone

Sleek and lightweight design	Stay connected without excess bulk or weight.
Built-in speakerphone	Experience hands-free dialog and convenient conference calls with excellent sound quality.
Bluetooth®-enabled	Allows hands-free phone calls via headsets and car kits.
Polyphonic (MIDI and MP3 formats)	Assign unique ring tones to contacts and personalise your BlackBerry 7130v with your favourite ring tones.
Quad-band support	Enables international coverage and roaming, so you can communicate almost anywhere.
Exceptional battery life	Up to 4 hours talk time and 18 days standby time
Large, dedicated 'Send' and 'End' keys	Make calls with one hand, quickly and easily.

Email and SMS

Push technology	Receive your email without effort. Messages are delivered automatically to the BlackBerry 7130v.
SureType keyboard technology	Type messages easily and accurately with the familiar QWERTY style keyboard and intuitive software that 'learns' as you use it.
Light-sensing screen	Optimises LCD screen lighting levels automatically for ideal indoor and outdoor viewing.
64 MB Flash Memory	Count on ample memory for emails, attachments and application downloads.
Send and receive text and multimedia messages	Communicate with family and friends that have SMS- and/or MMS-enabled devices.
View attachments	Open popular document and graphic attachments on the go. View PowerPoint presentations in an easy-to-use slideshow format.
Integrate up to 10 supported email accounts with your BlackBerry 7130v.	Manage multiple email accounts from your device and get the benefit of BlackBerry push technology for each one. Plus, your desktop account is updated whenever you send, delete or read a message on your BlackBerry device.
New, optional BlackBerry email address	Could you use an extra email account? Or an address reserved for close contacts? You can choose a unique BlackBerry email address. Messages sent to this address are received and stored right on your BlackBerry device, so you never need to use a desktop computer to manage the account.
Easy set-up directly from your BlackBerry device	Simply provide addresses and passwords for your existing supported accounts.

Features

Benefits

Organiser

Address book, calendar, memo pad and task list
